

## **Coronavirus Safety Precaution**

For reservations, call **(+81)90-3900-3387**

### **Coronavirus safety precaution at Musashino ENT**

- Please use the disinfectant provided by the facility before entering
- Please wear mask and other protective gears to prevent the spread of COVID-19
- Please keep social distance from other patients as best as possible (a minimum of one free seat apart)

### **For patients with fever**

If you have a fever and would like to see a doctor, **please call us in advance**. After coming to the hospital, please talk on the intercom or mobile phone at the entrance. We will guide you to **another route that does not pass through the waiting room**. If you can come to the hospital by private car, please let us know so that you can have a smooth examination.
